PROGRAM LETTER N101AZ

March 16, 2022

ABQ FSDO
1601 Randolph Rd. SE, Suite 200N
Albuquerque, NM 87106

I am submitting Robert Carlton's program for glider Start & Flug Salto S/N 60 (N101AZ), as per 14 CFR Section 21.193(d).

N101AZ has a Special Airworthiness Certificate issued for the purpose of Experimental Exhibition. The following is an updated list of airshows and other events I plan to attend this year; including those outside of the aircraft's operating area.

All proficiency flights for these events will be within a 300 nautical mile radius of my home base of Moriarty, NM (0E0). Any flying outside of the area stated in this program letter will only be conducted for formation flying, training, or pilot checkout and in conjunction with a specific event listed in this letter, or amendments thereto. Flights in preparation for FAI or SSA sanctioned contests or awards will be flown from 0E0 unless noted.

Depending on schedule, some dates may include transport and/or practice sessions before or after the show dates listed. Some dates are not confirmed. A list of confirmed events is maintained on our website at www.vertigoairshows.com/schedule.html:

March 19-20, Luke AFB, AZ
July 1-3, Battle Creek, MI
July 25-31, Oshkosh, WI
August 19-21, McMinnville, OR
September 2-4, New Century, KS
September 16-18, NAS Oceana, VA
September 30 -October 2, Minden, NV
November 11-13, Stuart, FL

Sincerely,

Robert Carlton
